Prince Drive Open to Local Traffic and York Road Closed at Earl Drive

On Nov. 5, 2009, Prince Drive will open to local traffic only at Woodmen Road. At the same time, York Road will be closed at Earl Drive to facilitate the installation of a 66-inch storm drain pipe and construction of a water quality vault. When that work is completed, additional utility improvements, curbs, gutters and a final asphalt layer will be added to York Road.

All access to Yorkshire Estates Neighborhood, Yorkshire Square Townhomes, and Sunshine Learning Center will be from Prince Drive. All access to the businesses east of Earl Drive will be from Academy Boulevard on York Road. Access at Prince Drive will be signal-controlled and signs advising of “no outlet” will be posted.
